

Changes to SCT Routes

Adjusted Schedules

****Effective Feb 14, 2016****

In our ongoing effort to provide the highest level of service to our riders, we are making a set of small changes to the time schedules that will affect the SCT Routes 21, 23 and 24.

The changes are highlighted in **RED** so you can easily see the difference between the current and new times at the timesteps along the routes.
