The following questions, clarifications, and errors are addressed below:

1. Question: What Dial-a-Ride services are included in the in-depth evaluation in the plan?
 - a. Answer: Nipomo, Shandon, Templeton, and Paso Robles DAR services are included in the main evaluations in the Plan. Area services such as listed in Task 3.0 section 4, are to be summarized only as requested in that section.

2. Question: Can I attend the non-mandatory pre-proposal meeting on September 26th by conference call?
 - a. Answer: Yes, conference call information:
 - i. 866-730-7512, Participant pin: 236145#

3. Correction: RFP Attachment Two, Item 28, Disadvantaged Business Enterprises (DBE)
 - a. The correct percentage for RTA's overall DBE participation is 5.1%, not 4%.

4. Correction: RFP page numbers
 - a. Page numbers in the Table of Contents are in error beginning with Section IV. Pay close attention to section heading titles when reading the RFP.

No further addendums or questions will be answered prior to the non-mandatory pre-proposal meeting scheduled for September 26, 2018 at 2pm. After that meeting, another addendum summarizing the meeting will be issued by October 3rd.
