# 2. Information Items

# B-1 Executive Director's Report (Verbal, Receive)

Mr. Geoff Straw stated that RTA is monitoring ridership to ensure that buses are not exceeding maximum capacity loads allowed by CDC guidelines. However, drivers are not denying any riders due to maximum capacity. Staff has seen an increase in passenger loads in Paso Robles and have been using the 40-foot buses to accommodate social distancing. Paso Robles is experiencing capacity issues due to high school students. The agency is working the SLO County Public Health on getting elderly and disabled individuals rides to their COVID-19 vaccination appointments. The bus maintenance facility walls are up and the facility will soon be fully enclosed. There have been \$289,000 of change orders authorized for

the project. RTA added a tripper vehicle on Route 9 because of the consistent capacity issues during commuter times. Bus stop improvements have been sent out to bid and 34 high priority bus stops will have solar lighting installed. The Avila Trolley will begin in July however, the trolley will not be able to run to the Pismo Preserve this year. The numbers for ARPA have been released, and if funding is reduced, the agency will be forced to implement service cuts. RTA is requesting funds from the Santa Maria urbanized area fund, however the money could be denied. Staff is meeting to discuss solutions.

#### Questions:

**Vice President Waage** asked if the money from Santa Maria is being used for something else? He hopes that is can be resolved as Route 10 is a key route.

**Mr. Straw** stated that it appears to be different approach to funding than before and Santa Maria is stating that Route 10 funds can be lowered. Staff is disputing this and requesting further discussion.

**Mr. Strong** stated there are stipulations that can be added to funding requests so change orders are prevented. Has RTA applied to the new Department of Transportation funds that have been made available, particularly for low/zero emission buses?

Mr. Straw stated a grant application has been submitted on behalf of RTA and SLO Transit.

President Peschong stated that the committee will receive and file item B-1.

#### 3. Action Items

## C-1 Fiscal Year 2021-21 Operating and Capital Budget (Approve)

**Ms. Tania Arnold** stated that the budget does include the 5% service reduction and recovery from the pandemic which includes grant applications. Projected liability cost and losses have gone down due to smaller increase workers comp than expected. Runabout costs have increased however there has been a slow down in the number of applicants for the service. Staffing and retention has been challenging due to the pandemic, an issue that will be kept in mind in the coming fiscal year.

The collective Bargaining Agreement with Teamsters Local 986 expires December 31, 2021. RTA is applying for funding to implement Zero Emission Bus (ZEB) technologies and the grant application is for two diesel-powered bus replacements; the agency will be applying for an additional three buses. The first Pac West loan draw for the construction of long-planned Bus Maintenance Facility is occurring this spring. The project is expected to be complete in February 2022.

**Mr. Straw** stated there is a funding gap for CalPERS liability due to termination of the RTA's contract with CalPERS. The agency made an initial payment completed in December 2020 and is still awaiting final negotiated payout which is not included in the budget. The STA funding is higher than revised numbers provided in October 2020 and staff wants to use the State of Good Repair funds as leverage for ZEB. LTF has dropped because of the CARES Act funding, however it is projected to rise again when those funds are no longer available. The projected fuel cost volatility will impact to ridership and fare revenue and staff may need to bring to the board again if cost continues to rise.

# Questions

Mr. Strong asked if the agency is on the hook for improvements to Elks Lane?

**Mr. Straw** stated that RTA is responsible for the design and realignment of Elks Lane, however the agreement with the city is still being drafted.

**Vice President Waage** asked if there are an anticipated budget issues coming out of the pandemic? Mr. Straw stated that the biggest issue to lower fares, as the agency has not been able to charge full fares during COVID-19. The state recognizes that this is happening across the country and has removed

the penalties temporarily. However, year 2023 is a concern. Social distancing presents a challenge for bus capacity and meeting service needs.

**Mr. Strong** asked if the federal government is limiting recovery funding to 75% of the 2019 budgets, just like it has for small cities?

Mr. Straw stated the agency did not receive an CRSA funds, however we are expecting APRA funds.

**Mr. Strong** made a motion to approve agenda item C-1 and **Vice President Waage** seconded the motion. The motion passed unanimously via roll call vote as follows:

BOARD MEMBER	<u>YES</u>	<u>NO</u>	<b>ABSENT</b>

#### Closed Session Item:

- D-1 CONFERENCE WITH LEGAL COUNSEL ANTICIPATED LITIGATION (Government Code section 54956.9.) It is the intention of the Executive Committee to meet in closed session concerning the following item: Significant exposure to litigation pursuant to paragraph (2) or (3) of subdivision (d) of section 54956.9. Number of potential cases: One.
- D-2 CONFERENCE WITH LABOR NEGOTIATORS Agency designated representatives: Geoff Straw, Executive Director Employee organization: Teamsters Local 986

**President Peschong** asked if the agenda item B-1 was related to the SLOCOG Diversity and Inclusion training or if it was a different topic?

**Mr. Straw** stated that this item was a report by a consultant regarding staffing, retention, and training opportunities of employees that does not require any action from the Board. Also to be noted, staff is recommending that the Youth Ride Free program is suspended this year due to funding.

**Vice President Waage** asked if item A-10 is regarding providing service for the new proposed development in Paso Robles?

**Mr. Straw** stated that staff has been working with the community in Paso Robles on a project on Niblick Rd regarding a potential bus recharging station and bus stop improvement. RTA will ask the Board to do a resolution of support for the project with no financial commitment.

**Mr. Strong** made a motion to approve the proposed agenda for May 5<sup>th</sup>, 2021 and **Vice President Waage** seconded the motion. The motion passed unanimously via voice vote.

# SAN LUIS OBISPO REGIONAL TRANSIT AUTHORITY EXECUTIVE COMMITTEE AUGUST 11, 2021 STAFF REPORT

AGENDA ITEM: C-1

TOPIC: Salary Schedule Revision for Non-Union

**Employees** 

PRESENTED BY: Geoff Straw

STAFF RECOMMENDATION: Bring to the Board for Approval

# **BACKGROUND/DISCUSSION:**

The current Collective Bargaining Agreement for the Bus Operator, Mechanic and Utility classifications became effective on January 1, 2018, and the CBA expires on December 31, 2021. Staff will bring a proposed amendment to the RTA Board at its September 1<sup>st</sup> meeting to extend the CBA for one more year.

The CBA identified annual wage increases for Bus Operators that coincided with planned increases in California's minimum wage. More specifically, the CBA included the following percentage increases:

January 2017 to January 2018: 2.9% January 2018 to January 2019: 9.1% January 2019 to January 2020: 8.3% January 2020 to January 2021: 7.7%

This had the effect of increasing the starting Bus Operator wage from \$14.30 per hour in 2018 to \$18.20 in 2021, and the top Bus Operator wage from \$19.51 (\$40,580.80 annually) in 2018 to \$24.82 (\$51,625.60 annually) in 2021. Wages for many other non-CBA classifications are benchmarked against those included in the CBA. In order to avoid wage compression, the wage scale of the Operations Supervisor classification also increased by the same annual percentages.

For reference, below is the Operations Supervisor scale that was effective in January 2018:

			January 2018			
Step 1	Step 2	Step 3	Step 4	Step 5	Step 6	Step 7
\$ 41,783.24	\$ 43,872.40	\$ 46,066.03	\$ 48,369.33	\$ 50,304.10	\$ 51,813.22	\$ 52,849.49

In comparison, below is the Operations Supervisor wage scale effective in January 2021:

			January 2021			
Step 1	Step 2	Step 3	Step 4	Step 5	Step 6	Step 7
\$ 53,178.67	\$ 55,837.61	\$ 58,629.49	\$ 61,560.96	\$ 64,023.40	\$ 65,944.10	\$ 67,262.98

These significant increases in the CBA-influenced Operations Supervisor wages have resulted in wage compression issues with other RTA administrative classifications. The ensuing pages depict the non-CBA RTA Staff Salary Schedule that was effective on July 1, 2017 and those currently in effect, which shows that the administrative wage increases have not kept pace.

Due to the compression of the CBA and administrative wages, and a close review of peer agencies and like positions, when applicable, for local jurisdictions in SLO County, staff believes that the current RTA Staff Salary Schedule should be amended to coincide with changes envisioned in the CBA wage that would be effective January 1, 2022 in order to retain our talented workforce and attract new employees when openings occur.

Staff is also reviewing current staff skills and abilities to ensure all RTA team members are working within their appropriate classifications. If any additional classifications are warranted (i.e., expand the single Accounting Technician position to two distinct Accounting Technician I and Accounting Technician II positions), staff will highlight those recommendations and any financial implications at the September 1<sup>st</sup> meeting.

# **Staff Recommendation for Executive Committee:**

Recommend staff provide a revised salary schedule and any financial implications to the Board for approval at the September 1<sup>st</sup> Board meeting.

## Staff Recommendation for the Board:

Recommend that the Board adopt a revised salary schedule to take effect on January 1, 2022.
